Capo op 3

Verse 1

```
 Dm                          Dm6
    Save me from drowning in the sea
 Am
    Beat me up on the beach
 Dm          Em7
    What a lovely holiday
           E7            Asus4   A7sus4
    There's nothing funny left to say

 Dm                          Dm6
    This sombre song would drain the sun
 Am
    But it won't shine until it's sung
 Dm               E7
    No water running in the stream
                       Asus4   A7
    The saddest place we've ever seen
```

Bridge 1

```
 Fmaj7                    G7/F
    Everything I touched was golden
                     C
    Everything I loved got broken
    On the road to Mandalay
 F                 Em
    Every mistake I've ever made
                           Dm
    Has been rehashed and then replayed
              G5
    As I got lost along the way
```

Chorus

  [nc]        Dm          G
   Bum bum bum, ba da dum, bum bum
            C           Am
   Bum bum bum, ba da dum, bum bum
             F          G
   Bum bum bum, ba da dum, bum bum
        Am
   Bum ba dum
```

Verse 2

    There's nothing left for you to give
 Am
    The truth is all that you're left with
```

```
 Dm                         Em7
    Twenty paces then at dawn
             E7          Asus4   A7sus4
    We will die and be reborn

 Dm                          Dm6
    I like to sleep beneath the trees
 Am
    Have the universe at one with me
 Dm                 E7
    Look down the barrel of a gun
                            Asus4   A7
    And feel the moon replace the sun
```

    Every mistake I've ever made
                               Dm
