Come and sing a simple song of freedom.
```

Sing it like you've never sung before.
```
G                 Am        F

we, the people here, don't want a war.

Verse 1
```
C           G            C
```
Hey there, Mister Black Man, can you hear me?
```
F                          C
```
I don't want your diamonds or your game.
```
G                     Am            F
```
I just want to be, someone known to you, as
me..
```
      F        G           C
```
And I will bet my life you want the same.

Verse 2
```
C           G           C

Seven hundred million are you listening?
```

```
Most of what you read is made of lies.
```
G                     Am          F
```
Speaking one to one, ain't it everybody's sun?..
```
F           G           C
```
to wake to in the morning when we rise.

Chorus

Verse 3
```
C           G           C
```
Brother Solzhenitsyn are you busy?
```
   F                      C
```
If not would you drop a friend a line?
```
G                     Am              F
```
Tell me if the man, who is plowing up your land,
```
F           G           C
```
has got the war machine upon his mind.

Chorus

Verse 4
```
C                   G           C
```
No doubt, some folks enjoy doing battle.
```

```
Like presidents, prime ministers and kings.
```
    G
```
So, let's all build them shelves where they can
```
Am            F
```
fight among themselves..
```
    F           G           C
```
and leave the people be, who want to sing.

Chorus

Outro
```
G                     Am              F
```
Let it fill the air, tell the people everywhere,

```
we, the people here, don't want a war.
