

TO BAD

[Intro] E E E B7

[Verse]

E A
It's too bad I do not love you
E
For you have worried me night and day
E A
It is too bad I do not love you
E
For you have worried me night and day
B7 A7
Until my heart begins to stammer
E
And my hair is turning gray

[Verse]

E A
It's too bad I do not need you
E
Because we get along so good
A
It is too bad I do not need you
E
Because we get along so good
B7 A7
You must be thinking, about this time
E
That my poor heart is made of wood

[Fill] E A E A E A E A E A E A

[Verse]

E A
It's too bad I do not miss you
E
Because you are always on my mind
A
It is too bad I do not miss you
E
Because you are always on my mind
B7 A7
I want to stay around your circle
E
And learn to love you all the time
