

I Will Survive -- Gloria Gayner

Capo op 3

Verse 1

Em Am
At first I was afraid, I was petrified,
D G
Kept thinking I could never live without you by my side.
C F#m
But then I spent so many nights, thinking how you did me
wrong,
B B7
And I grew strong; and I learned how to get along.
Em Am
But now you're back, from outer space,
D G
I just walked in, to find you here, with that sad look upon
your face.
C
I should have changed that stupid lock,
F#m
I should have made you leave your key,
B B7
If I had known for just one second, you'd be back to bother
me.

Chorus

Em Am
Go on now, go; walk out the door;
D G
Just turn a-round now, 'cos you're not welcome any more.
C F#m
Weren't you the one who tried to hurt me with goodbye?
B B7
Did you think I'd crumble; did you think I'd lay down and
die?

Em Am
Oh no, not I; I will sur-vive,
D G
Oh, as long as I know how to love, I know I'll stay alive.
C F#m
I've got all my life to live, and I've got all my love to give,
B B7
And I'll sur-vive, I will sur-vive, I will sur-vive...

Verse 2

Em Am
It took all the strength I had not to fall apart.
D G
Kept trying hard to mend the pieces of my broken heart.
C F#m
And I spent oh, so many nights, just feeling sorry for myself,

B B7
I used to cry, but now I hold my head up high.
Em Am
And you see me; somebody new,
D G
I'm not that chained up little person, still in love with you.
C F#m
And so you felt like dropping in and just ex-pect me to be
free,
B B7
Well, now I'm saving all my loving, for some-one who's
loving me.
