

China Girl

David Bowie

Bm D Em Bm
Ooh ooh ooh oohh little china girl

D Em
I could escape this feeling with my china girl

D Em
I feel a wreck without my little china girl

Bm D
I feel her hearts beating loud as thunder

Em F#
Saw they stars crushing

D Em
Im a mess without my little china girl

D Em
Wake up in the morning, where's my little china girl

Bm D
I hear her heart beating loud as thunder

Em F#
Saw they stars crushing out

D C
I feel I'm tragic like I'm Marlon Brando

Bm A
When I look at my china girl

D C
I could pretend nothing really meant too much

Bm A
When I look at my china girl

Bm A G F#

Bm **A**
I stumble into town just like a sacred cow
G **F#**
Visions of swastikas in my head, plans for everyone
Bm **A** **G** **F#**
It's in the white of my eyes

[Bridge]

Bm **A**
My little china girl, you shouldn't mess with me
G **F#**
I'll ruin everything you are (you know)
Bm **A**
I'll give you television, I'll give you eyes of blue
G **F#**
I'll give you a man who wants to rule the world

D **C**
And when I get excited my little china girl says
Bm **A**
Oh baby, just you shut your mouth
Bm **A** **G** **F#**
She says sshhh - she says sshhh - she says sshhh - she says

Bm A G F#

D **C**
And when I get excited my little china girl says
Bm **A**
Oh baby, just you shut your mouth
Bm **A** **G** **F#**
She says sshhh - she says sshhh - she says sshhh - she says

[Outro]

Bm D Em Bm
Ooh ooh ooh oohh little china girl
