

# If I fell

If I [Cm] fell in love with you  
Would you [B] promise to be true  
And [A#] help me [Gm] understand  
'Cause I've [Cm] been in love before  
And I [B] found that love was more  
Than [C#m] just holding [F#] hands

If I [B] give [C#m] my [D#m] heart [Dm] to [C#m] you  
I [F#] must be sure  
From the [B] ve-[C#m]-ry [D#m] start that [C#m7] you  
Would [F#] love me more than [B] her [Em, F#6]

If I [B] trust [C#m] in [D#m] you, oh [C#m7] please  
Don't [F#] run and hide  
If I [B] love [C#m] you [D#m] too, oh [C#m7] please  
Don't [F#] hurt my pride like

[F#m13] her, cause I couldn't stand the [E] pain  
And [Em] I would be sad if our new [B] love was in [F#7] vain

So I [B] hope [C#m] you [D#m] see that [C#m7] I  
Would [F#] love to love you  
[B] And [C#m] that [D#m] she will [C#m7] cry  
When [F#] she learns we are

[F#m13] two cause I couldn't stand the [E] pain  
And [Em] I would be sad if our new [B] love was in [F#7] vain

So I [B] hope [C#m] you [D#m] see that [C#m7] I  
Would [F#] love to love you  
[B] And [C#m] that [D#m] she will [C#m7] cry  
When [F#] she learns we are [B] two

If I [Em] fell in love with [B] you [ Em | B ]
